

## TERMS AND CONDITIONS OF REGISTRATION

VsI Nacionalinis mokymu centras (hereinafter referred to as the **Organisation**) is continuous professional development institution that perform early registration for professional development events organised by the Organisation.

Professional development events include:

- (i) conferences;
- (ii) seminars;
- (iii) targeted internal and external training;
- (iv) distance learning; and
- (v) other forms of training and professional development permitted by law.

Participants intending (wishing) to attend professional development events shall be required:

- (i) to familiarise with the information published by the Organisation regarding the processing of their personal information and provide consent in relation to the processing of this information. Without this consent the Organisation will be unable to perform registration for events, prepare and issue certificate of attendance, or perform other actions mandatory by law. Please be advised that Your personal information will be properly and fully protected while in possession of the Organisation, stored confidentially and used only as provided for by law;
- (ii) to familiarise with the Organisation's cookie policy; and
- (iii) to familiarise with and acknowledge their familiarisation with these Terms and Conditions of Registration.

The Organisation wants to draw Your attention and remind You that when registering for events You acknowledge and agree:

- (i) that You are a health care and/or pharmaceutical professional, have the right to familiarise with the contents of any material provided or received at a professional development event (hereinafter referred to as the **Educational Material**);
- (ii) to handle all Educational Material responsibly, refrain from copying, disseminating or modifying, or processing and handing out the material to third parties without prior written consent of the Organisation;
- (iii) not to share access rights granted to You in relation to Your account on the Organisation's website;
- (iv) no to copy or share any links to a website containing video footage of lectures;
- (v) that visual educational material is intended solely to prepare for exercises and for professional development;
- (vi) to complete all exercises honestly as appropriate depending on Your expertise;
- (vii) the Organisation is responsible for the quality and updating of the Education Material; and
- (viii) that registration for professional development events is subject to You providing Your consent to these Terms and Conditions of Registration and to the processing of Your personal information.
